

Addendum to Guide for Clinicians for Nucleus Smart App Bimodal control

Cochlear™ Nucleus® 8 Sound Processor Guide for Clinicians

Nucleus® 7 Sound Processor Quick Guide for Clinicians

Kanso® 2 Sound Processor Quick Guide for Clinicians

1. In section 'Nucleus Smart App', add new bullet point:

- Control sound processor and compatible ReSound hearing aid¹ together in bimodal mode.

2. In section 'Bimodal control with compatible hearing aids', add new paragraph at end:

Nucleus Smart App - Bimodal control with compatible ReSound hearing aid¹

Bimodal control with a compatible ReSound hearing aid allows recipients to control and monitor both their sound processor and hearing aid together through the Nucleus Smart App and stream sound to both ears.

¹ For compatibility information visit www.cochlear.com/compatibility
