Item 1. Financial and other reports

As required by section 317 of the Corporations Act 2001 (Cth) (Act), the Company's Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2017 (FY17) will be laid before the Company in the Annual General Meeting (AGM). There is no requirement for a formal resolution on this item; however, it is the Company's practice to do so.

Resolution 1.1 – directors' recommendation

The Board recommends that shareholders vote in favour of the resolution.

The Chairman intends to vote all available proxies in favour of the resolution.

Item 2. Remuneration Report

As required by section 250R(2) of the Act, the Remuneration Report of the Company for FY17 will be laid before the Company in the AGM and a resolution that it be adopted will be put to a vote. The Remuneration Report is set out in the Directors' Report contained in the Company's 2017 Annual Report. The Annual Report is available on the Company's website (www.cochlear.com).

The Remuneration Report explains the structure of and policy behind the Company's remuneration practices and the link between the remuneration of executives and the Company's performance. The Remuneration Report also sets out remuneration details for each director and for certain specified executives. A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting. Although there is a requirement for a formal resolution on this item, by operation of section 250R(3) of the Act, the resolution is advisory only and does not bind the directors or the Company.

The Board believes Cochlear's approach to Board and executive KMP remuneration is a balanced, fair and equitable approach. The Company's executive remuneration practices are designed to reward and motivate a successful and experienced executive team to deliver ongoing business growth which meets the expectations of all shareholders. The Board welcomes feedback from shareholders on Cochlear's remuneration practices.

Resolution 2.1 – directors' recommendation

The Board recommends that shareholders vote in favour of the resolution.

Voting exclusions apply to this resolution as specified in the Notice of Annual General Meeting.

The Chairman intends to vote all available proxies in favour of the resolution.

Item 3. Re-election of directors

Pursuant to Article 15.5(a) of the Company's Constitution, the directors have the power to appoint any person as a director, either to fill a casual vacancy or as an addition to the directors. Article 15.5(b) requires that any person appointed as a director pursuant to Article 15.5(a) (excluding the Company's Chief Executive Officer & President (CEO&P)) will retire at the next following AGM of the Company and will then be eligible for re-election as a director. Prof Bruce Robinson, AM was appointed by the Board as a director of the Company with effect from 13 December 2016. Accordingly, Prof Bruce Robinson, AM is retiring at this AGM and is standing for re-election.

Pursuant to Article 16.2 of the Company's Constitution, each director (excluding the CEO&P) must retire from office not later than at the third AGM following his or her last election or appointment by a general meeting, but may submit himself or herself for and will be eligible for re-election. Mr Andrew Denver and Mr Rick Holliday-Smith are retiring at this AGM in accordance with Article 16.2.

The retirements of Mr Andrew Denver, Mr Rick Holliday-Smith and Prof Bruce Robinson, AM mean that the requirement of Article 16.1 of the Company's Constitution, that one-third of the directors for the time being (excluding the CEO&P and rounded down to the nearest multiple of 3) retire from office at each AGM, is also satisfied.

The Board considers that each of Mr Andrew Denver, Mr Rick Holliday-Smith and Prof Bruce Robinson, AM is an independent non-executive director.

Item 4. Approval of securities to be granted to the President under the Cochlear Executive Incentive Plan

Why is shareholder approval being sought?

Mr Howitt was appointed as the President of the Company on 31 July 2017 and will become CEO&P of the Company when the existing Chief Executive Officer Mr Smith retires on 2 January 2018.

While Mr Howitt is not currently a director of the Company and will not become the CEO&P until 3 January 2018, the Company intends to seek approval for the grant of Cochlear Executive Incentive Plan long-term incentive awards (CEIP LTI) to Mr Howitt, as it is the Company's practice to do so for the CEO&P and for good corporate governance.

Terms of the CEIP LTI

Purpose: The CEIP LTI is designed to reward participants for the long-term growth of the Company.

Structure: For the financial year ending 30 June 2018 (FY18), participants can elect to receive options alone, or a combination of performance rights (being rights to subscribe for or be allocated or receive the transfer of ordinary shares in the Company) and options, provided as a minimum at least 30% are options.

Mr Dig Howitt has elected to receive 70% of his FY18 offer as options and 30% of his FY18 offer as performance rights. The CEIP rules permit the Company to satisfy its obligation to deliver shares under options or performance rights through an employee share trust.

Each option or performance right entitles Mr Howitt to receive the transfer of one ordinary share in the capital of the Company, subject to certain vesting restrictions.

Approval is being sought from shareholders for the FY18 grant of options and performance rights to Mr Howitt under the CEIP LTI. If shareholders approve the grant of options and performance rights to Mr Howitt in accordance with the proposed resolution, the Company will issue the options and performance rights within five (5) business days of the Company's 2017 AGM. These options and performance rights will be taken to be granted as at 18 October 2017, being the date on which CEIP LTI options and/or performance rights will be granted to other Company executives under the CEIP (based on values determined as at 23 August 2017).

The options will be granted for nil consideration with an exercise price of A\$154.73, being the weighted average price of ordinary shares in the Company traded on the ASX during the five day period commencing on the release of the Company's FY17 full year results on 17 August 2017, payable on exercise of the options.

Performance rights are granted for nil consideration with a nil exercise price.

Vesting restrictions: The options and performance rights are subject to vesting restrictions, which will ultimately determine the final number of options and performance rights which will be exercisable. The relevant vesting restrictions for the FY18 offers are:

(i) the options and performance rights will not vest before the full year results are announced in 2020. The participant will be unable to exercise the options and performance rights before they vest unless the Board decides to allow early exercise pursuant to the CEIP rules. Should the participant cease to be an employee of Cochlear or a related body corporate, all unvested options and performance rights will lapse unless the Board determines otherwise; and

(ii) the performance of the Company from 1 July 2017 to 30 June 2020 in terms of annual growth in earnings per share (EPS) and in terms of total shareholder return (TSR) as measured against the S&P/ASX 100 comparator group, each according to the table set out below. Half of the offer will be assessed against EPS growth and the other half using TSR as follows:

Compound annual growth rate of EPS over the three year vesting period		Ranking of TSR against S&P/ASX 100 comparator group over the three year vesting period	
Performance	% vesting	Performance	% vesting
< 10%	0%	< 50 th percentile	0%
10% to 20%	50% to 100% (pro-rata)	50 th to 75 th percentile	40% to 100% (pro-rata)
> 20%	100%	> 75 th percentile	100%

Calculation of the number of securities relating to be granted to Mr Howitt under the CEIP LTI for FY18

Assumptions:

Based on Mr Howitt's remuneration, his role and the Company's remuneration strategy, the value of the offer is A\$1,600,000.

(a) The value of an option is defined below and is A\$23.91. The value of a performance right is defined below and is A\$142.31.

(b) Options and performance rights are subject to the EPS and TSR vesting hurdles described above.

Total value of offer (TVO)	A\$1,600,000
Components	Options and performance rights
Option value (OV)	A\$23.91
Performance right value (PV)	A\$142.31
Number of options and performance rights	$= \frac{TVO \times 70\%}{OV} + \frac{TVO \times 30\%}{PV}$ $= \frac{A\$1,120,000}{A\$23.91} + \frac{A\$480,000}{A\$142.31}$ $= 46,842 \text{ options and } 3,372 \text{ performance rights}$

where:

TVO = the total value of the offer made to the participant under the CEIP LTI (expressed in Australian dollars), which is a percentage of fixed remuneration of the participant;

OV = the value of an option, based on the Black-Scholes-Merton value before service or EPS and TSR performance discounts; and

PV = the value of a performance right, based on the Black-Scholes-Merton value before service or EPS and TSR performance discounts.

Exercise price (options)	A\$154.73
Exercise price (performance rights)	Nil
Expected volatility	24.91%
Expected contract life (options)	3.43 years
Expected contract life (performance rights)	2.93 years
Expected dividend yield	2.95%
Risk free interest rate	2.00%

Other terms of the CEIP

Eligibility: Persons who are permanent full-time or part-time employees of the Company or a related body corporate of the Company are Eligible Employees.

Allocation: The CEIP is administered by the Board. Each year, the Board may decide to offer designated Eligible Employees the opportunity to participate in the CEIP. The number of options and/or performance rights to be offered to a participant depends upon the participant's salary and the Company's target remuneration package for the participant's position.

The Board has determined that any options or performance rights that do not vest will lapse or be forfeited automatically.

Rights: Option and performance right holders will not be entitled to any dividend payments until the options or performance rights are exercised.

Additional conditions: All participants will be bound by the applicable plan rules. A participant must exercise their options within seven months after the date of vesting, otherwise the options will lapse. Performance rights will be exercised automatically on vesting. The shares delivered on exercise of options or performance rights will be held by an employee share trust until withdrawn by participants. While participants are employees of the Company, they must abide by the Company's Trading Policy (available in the Investor Centre section of www.cochlear.com under Corporate Governance).

It is a specific condition of grant that no schemes are entered into by an individual or their associates that specifically protect the unvested value of options or performance rights allocated.

The CEIP requires that any shares to be delivered to a director upon the exercise of options or performance rights that are issued under the CEIP after 21 July 2015 must be existing shares acquired on market.

Plan limit: An overall limit applies on the number of options and performance rights that are offered under the CEIP, being that the aggregate of the number of options and performance rights offered together with outstanding offers under the CEIP and the total number of shares issued to employees under employee incentive schemes in the last five years cannot exceed 5%, excluding unregulated offers, of the total number of issued shares at the time of the offer.

Overriding restrictions: No options or performance rights may be offered under the CEIP if to do so would contravene the Act, the ASX Listing Rules, or instruments of relief issued by the Australian Securities and Investments Commission from time to time relating to the CEIP or employee incentive schemes generally.

Administration: The Board may amend, terminate or suspend the operation of the CEIP and/or any relevant CEIP rules at any time.

Resolution 4.1 – directors’ recommendation

The Board recommends that shareholders vote in favour of the resolution.

Voting exclusions apply to this resolution as specified in the Notice of Annual General Meeting.

The Chairman intends to vote all available proxies in favour of the resolution.

Item 5. Approval to increase the maximum aggregate remuneration of non-executive directors

In accordance with ASX Listing Rule 10.17 and Article 19.1 of the Company's Constitution, this resolution is being put to shareholders to increase the maximum aggregate amount available for the remuneration of non-executive directors (NED Fee Cap) by \$500,000 to \$3,000,000 per financial year.

The current NED Fee Cap of \$2,500,000 per financial year was approved by the shareholders at the 2015 Annual General Meeting. The temporary increase of \$500,000 approved at the 2014 AGM was solely to permit payment to Prof Edward Byrne, AC of his retirement allowance in the financial year in which he retires.

The present increase is being sought because the Board has recently increased in size by one non-executive director and it is anticipated that an additional Board appointment may be made in FY18 to increase the diversity of membership on the Board. This appointment would increase the number of non-executive directors to nine. Any new appointment would be subject to election by shareholders at the following AGM.

The Board also wishes to allow for future increases in fees to maintain market competitiveness to retain and attract high calibre non-executive directors and to reflect increasing demands on non-executive directors due to the expanding, complex and global nature of the Company's business. The level of non-executive directors' fees is reviewed annually for alignment with market competitiveness. In considering non-executive directors' fees, the Board seeks the advice of an independent remuneration consultant to ensure the Company's approach is appropriate.

Details of the non-executive director remuneration for the financial year ended 30 June 2017 are included in the 2017 Remuneration Report which forms part of the Directors' Report. The total aggregate value of remuneration provided to non-executive directors during the last financial year was \$2,063,703.

It is not intended to fully utilise the increase in the NED Fee Cap now, but to allow the flexibility to appoint an additional non-executive director and adequately compensate the Company's non-executive directors in the future.

Additional disclosures required by ASX Listing Rule 10.17

ASX Listing Rule 10.17 requires the following additional disclosures for the purposes of Item 5 of these Explanatory Notes:

- (i) if this resolution is passed, the maximum aggregate amount of directors' fees that may be paid to all of the Company's non-executive directors in a financial year is \$3,000,000, except that in the financial year in which Prof Edward Byrne, AC retires as a director of the Company, the maximum aggregate amount of directors' fees that may be paid to all of the Company's non-executive directors will be \$3,500,000 (as approved by shareholders at the 2014 AGM), and the maximum aggregate directors' fees will revert back to \$3,000,000 in the following financial year; and
- (ii) no securities have been issued to a non-executive director under ASX Listing Rule 10.11 or 10.14 within the preceding three years.

Resolution 5.1 – directors' recommendation

As each non-executive director has an interest in this matter, the Board does not believe it is appropriate to make a recommendation to shareholders in relation to voting on this resolution.

Voting exclusions apply to this resolution as specified in the Notice of Annual General Meeting.

The Chairman intends to vote all available proxies in favour of the resolution.
