

Cochlear Classroom Care Guide

**Starting school
skills checklist**

Starting school checklist

Complete this checklist with your child in mind. Remember, this checklist is not a test and it designed to be used as a basic guide only. Effective spoken language is key to applying these skills. We recommend using the results to help inform your child's educators on their current skill set.

Cochlear Family

Hear now. And always

Cochlear is dedicated to helping people with moderate to profound hearing loss experience a world full of hearing. As the global leader in implantable hearing solutions, we have provided more than 700,000 devices and helped people of all ages to hear and connect with life's opportunities.

We aim to give people the best lifelong hearing experience and access to next generation technologies. We collaborate with leading clinical, research and support networks to advance hearing science and improve care.

That's why more people choose Cochlear than any other hearing implant company.
