

Exercise 2.0 Closed-set – visual identification task

Speaker Copy

Instructions for the Speaker

Give the listener the drawing on the next page. (This drawing can also be photocopied from Appendix 2.) Speakers may use the following sentences or create sentences of their own, to describe one of the pictures on the drawing. Ask the listener to identify the picture being described.

- 1 It's a large storm in the tropics.
- 2 It's something you use to lift up a car so that you can change the tires.
- 3 It's long and thin and children color with it.
- 4 It's something you may eat in hot weather.
- 5 They have wheels and you wear them on your feet.
- 6 It's big and hot and it's in the sky.
- 7 This has numbers and you might use it to talk to someone.
- 8 It can be large or small and children go there to learn.
- 9 It makes honey but it can sting.
- 10 Many people keep one of these as a pet.
- 11 It's manufactured, full of water and you can swim in it.
- 12 It grows on your head and you can cut it.
