This material is intended for health professionals. If you are a consumer, please seek advice from your health professional about treatments for hearing loss. Outcomes may vary, and your health professional will advise you about the factors which could affect your outcome. Always read the instructions for use. Not all products are available in all countries. Please contact your local Cochlear representative for product information. The Nucleus 8 Sound Processor and Kanso 3 Sound Processor is not compatible with N22 implants. Orders are subject to Cochlear™ Store Conditions of Sale. Current as at 1 July 2025. Repair costs apply only to sound processing units. Parts and accessories are not included and must be purchased separately if they are no longer under warranty. For detailed information on Cochlear warranty coverage, please visit <https://www.cochlear.com/au/en/home/diagnosis-and-treatment/costs-and-payment/warranty-coverage>.
