## 07 Availability

The Cochlear Nucleus bimodal solution for the ReSound Nexia (NX960S, NX961, NX962, NX560, NX977, NX988, NX588), and ReSound ENZO Q (EQ998) hearing aids are available to all recipients of a Cochlear Nucleus cochlear implant system. The Smart Hearing Alliance pricing is only available through Cochlear.

Smart Hearing Alliance pricing is not available for other models of ReSound hearing aids. If your patient requires a different model hearing aid not listed on this order form, please place an order directly with ReSound.

For questions related to ReSound hearing aids call: 800 248 4327

---

### Policy:

This form may be submitted along with a new Nucleus CI System order or any time after a Nucleus recipient's initial activation.

ReSound is part of the GN group. GN makes life sound better through intelligent audio solutions.

Please seek advice from your health professional about treatments

for hearing loss. Outcomes may vary, and your health professional will advise you about the factors which could affect your outcome. Always read the instructions for use. Not all products are available in all countries.
