PO#: _____

Bill to: _____

Ship to: _____

Shipping instructions: _____

03 Payment Method

I will pursue the Nucleus 8 Sound Processor Upgrade Kit in partnership with my clinic and/or other funding means.

The self-pay discounted price does not apply.

I will self-pay the Nucleus 8 Sound Processor Upgrade Kit and order directly through Cochlear.

I would like to trade in my existing commercially available sound processor toward this upgrade order.¹

Allow one commercially available Nucleus Sound Processor trade-in for each Nucleus Upgrade Kit. Cannot be applied to the second sound processor option and this trade-in option is not available through Cochlear's Reimbursement & Insurance Services. Trade-in option must be declared at the time of the upgrade order and cannot be added after the upgrade has shipped.

I would like to keep my existing commercially available sound processor.

04 Nucleus 8 Sound Processor

Select one for each item below, unless noted otherwise.

Kit also includes: Microphone Protectors (one pack of two) and User Guide.

Sound Processor Color:

- Black Grey Silver

07 Ready-to-Wear

Ready-to-Wear (Free of charge)

Have your Nucleus 8 Sound Processor pre-loaded with your current programs by our Cochlear Hear Always Specialists.

To participate, recipient must be age 5 or older. The Ready-to-Wear service is not available for hybrid externals, and certain implant types. If your clinician decides that this option is not right for you or we are unable to program it, your Nucleus 8 Sound Processor will be shipped unprogrammed to the address you provide.

07 Submit Form

Email completed order form to customer@cochlear.com

Policy:

Return and Exchange Policy: 90-Day Trial Period. 90 days to exchange unopened accessories.

Warranty: 3-years. No questions asked.

1. You may trade in one (1) commercially available Nucleus Sound Processor when you choose to self-pay. Limit 1 trade-in per upgrade device.
2. Second Sound Processor Option: Available within 90 days of upgrade order. No trade-in.

* The Cochlear Nucleus 8 Sound Processor is dust and water resistant to level IP68 of the International Standard IEC60529. The Nucleus 8 Sound Processor with Aqua+ is dust and water resistant to level of IP68 of the International Standard IEC60529 when you use a Cochlear Power Extend Rechargeable Battery Module or Cochlear Compact Rechargeable Battery Module. The Nucleus 8 Sound Processor with Aqua+ can be continuously submerged under water to a depth of up to 3 meters for up to 2 hours. The Aqua+ accessory should be used when participating in prolonged water activities. Refer to the relevant user guide for more information.
