

## Exercise 1.1 Syllable counting – word length identification by syllable difference

Speaker Copy  
Listener Copy

---

### Instructions read by the Speaker to the Listener

I will say two words, while pointing to each, then repeat one of them. Please tell me, or point to, the word I repeated. (The Speaker randomly chooses which word to repeat.)

#### List A (4-syllable difference)

- |   |       |               |
|---|-------|---------------|
| 1 | man   | mysteriously  |
| 2 | night | independently |
| 3 | pie   | opportunity   |
| 4 | time  | intelligently |
| 5 | zone  | organization  |

#### List C (2-syllable difference)

- |   |          |               |
|---|----------|---------------|
| 1 | gem      | general       |
| 2 | reindeer | medicinal     |
| 3 | vacation | investigation |
| 4 | egg      | government    |
| 5 | magazine | mysteriously  |

#### List B (3-syllable difference)

- |   |        |               |
|---|--------|---------------|
| 1 | day    | medicinal     |
| 2 | egg    | altogether    |
| 3 | crazy  | organization  |
