

## Exercise 1.12 Syllable counting – phrase length identification – with carrier phrase

Speaker Copy

Listener Copy

---

### Instructions from the Speaker to the Listener

I will say each sentence using one of the three ending phrases. Listen to the sentence as I say it. Please tell me or point to the word or phrase used at the end of the sentence. (The Speaker chooses which answer to use.)

- |   |                                      |   |
